

**REMARKS**

**Claim Rejections**

Claims 1-5 are rejected as failing to define the invention in the manner required by 35 U.S.C. § 112, second paragraph.

**Drawings**

It is noted that no Patent Drawing Review (Form PTO-948) was received with the outstanding Office Action. Thus, Applicant must assume that the drawings are acceptable as filed.

**New Claims**

By this Amendment, Applicant has canceled claims 1-5 and has added new claims 6-8 to this application. It is believed that the new claims specifically set forth each element of Applicant's invention in full compliance with 35 U.S.C. § 112.

In the absence of any art cited against Applicant's original claims 1-5, it not believed that any detailed discussion of the cited prior art references is necessary.

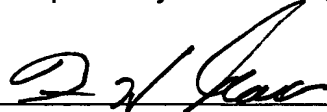

**Summary**

In view of the foregoing amendments and remarks, Applicant submits that this application is now in condition for allowance and such action is respectfully requested. Should any points remain in issue, which the Examiner feels could best be resolved by either a personal or a telephone interview, it is urged that Applicant's local attorney be contacted at the exchange listed below.

Respectfully submitted,
